

Product Description

Vivid Energies Wall Pack offers efficient lighting for any outdoor space.

Specifications

Color Temp: 3000K – 5700K
CRI: 70+
Lumen: 100LM/W
Input Watt: 60W, 90W
Input Current: .22A-.6A
Input Voltage: 100-277VAC
Frequency: 50/60Hz
Waterproof Rating: IP65 Outdoor
Dimmability: 1~10VDC & PWM Signal & Resistance
Photocell: optional

Construction

Housing: Die Casting Aluminum
Lens: Tempering Glass

Finish

Available Black / Bronze

Certification

DLC, UL, FCC, CE, RoHS

Warranty

7 Years, 75000 Hours

Advantages

Energy Saving
Long Lifespan
Uniform light
Instant Start
No mercury
